Clinical Services

Dear Parents,

Welcome to the Center for Biofeedback and Behavior Therapy! We appreciate your choice in our clinic to address your family's emotional and behavior needs.

We offer biofeedback, individual and group therapy sessions for children and adults to address a variety of issues including: ADD/ADHD focus groups for kids, biofeedback, neurotherapy, interactive metronome, adventure based groups (adventure explorers), anxiety management, anger management, stress management, depression, organizational skills, sibling rivalry, dealing with divorce, parenting skills, and marital enrichment.

Prior to participating in group or individual sessions, initial evaluations are necessary. During the initial evaluation, it will be determined which therapeutic approach would best suit your family's needs. For a breakdown of costs, please see the enclosed fee schedule.

Insurance coverage depends on your provider. We are not a designated provider of any plan nor do we file claims. You may relay the information below to your insurance provider to determine if these services are reimbursable under your plan.
